## **4. Complaints Procedure**

**5.** Perthshire Wellbeing Project will not normally investigate complaints which are received more than six months after the incident or occurrence took place.

Complaints can arrive through many different channels and may be received verbally, by phone, by email or in writing.

All complaints are required to be logged by Perthshire Wellbeing Project whether informal or formal. Reasonable complaints will be dealt with as below, if more time is needed the complainant will be advised.

If a complaint cannot be resolved immediately and requires to be formally addressed by Perthshire Wellbeing Project the complaint process applies.

- **Step 1** - the complaint information will either be passed to Gordon Stronach or Susie Hyde who are jointly responsible for managing complaints within 5 working days of receiving the complaint

- **Step 3** - a letter acknowledging receipt of the complaint will be sent within 5 days of receiving it, enclosing a copy of this policy, a contact name and date of expected reply.
- **Step 4** – the complaint will then be investigated
- **Step 5** - we will write within 20 working days of receiving a complaint, confirming our final position - Whether the complaint is justified or not, the reply to the complainant will describe the action taken to investigate the complaint, the conclusions from the investigation, and any action taken as a result of the complaint.

If the complainant feels that the problem has not been satisfactorily resolved at this stage, Perthshire Wellbeing Project will appoint an independent person to review the complaint.

- **Step 6** - a letter acknowledging receipt of the complaint will be sent within 5 working days of receiving it
- **Step 7** – the complaint will then be investigated
- **Step 8** - write within 20 working days of receiving the complaint confirming our final position - Whether the complaint is justified or not, the reply to the complainant will describe the action taken to investigate the complaint, the conclusions from the investigation, and any action taken as a result of the complaint

The complainant also has the right to raise any complaints to the appropriate Awarding Organisation or Accrediting body and or the regulators such as Ofqual, SQA Accreditation, Qualification Wales, or complaint to the Scottish Public Services Ombudsman for Scottish provision if they felt that SQA Accreditation had not dealt with their complaint adequately.

## **6. Compliments and Feedback**

We define a compliment as an expression of praise concerning a high level of service delivery and/or customer care received.

Acknowledgements will be sent within 5 working days of receipt in respect of all feedback and compliments.

Compliments and feedback which warrant a response will be replied to within 10 working days.

Compliments and feedback may be communicated internally and via social media networks if applicable to external stakeholders and partners and with the customer approval.

## **7. Monitoring and Reporting**

Perthshire Wellbeing Project records complaints and reviews these regularly to identify any trends which may have an impact upon other learners. Where a complaint is upheld, the impact on other learners is considered and action is taken to ensure learners are not disadvantaged.

Where it has been established that a complaint is valid, we will take appropriate action that will be proportional to the gravity and scope of the occurrence. This will be documented at the management meeting and added to the risk register.

This policy is reviewed regularly and updated annually or as and when required.
